ÜRÜN KATALOĞU
2019

Nesa Aydınlatma, 1997 yılında elektrik sektörünün aydınlatma ürünleri alanında hizmet vermek için kuruldu. Hemen ardından OSAKA LIGHT markasını oluşturarak, kendi mühendislik tasarımlarını Uzakdoğu'da saygın fabrikalarda ürettirdi. O yıllarda popüler olan halojen ampullerde başlayan ithalat ve satış hizmetleri, çağın gereksinimi olan enerji tasarruflu ampullerle devam etti ve son olarak da günümüzün en yeni teknolojisi olan led ürünleri ile müşterilerine en iyi hizmeti sunmaya başladı. Yıllar içerisinde satış ve sonrası destek hizmetleriyle tüm Türkiye genelinde 2000'e ulaşan bir müşteri portföyü oluşturdu.

İthalatçı bir firma olmanın avantajını kullanarak, dünyadaki tüm gelişmeleri yakından takip etme fırsatı buldu. 1000'i aşkın ürün gamı içerisindeki birçok ürünü Türkiye ile ilk kez tanıştırdı.
